2. All players must be properly registered on a team during the season for which they are playing.

2. Matches during the regular season are played to a 45-minute time limit. Playoffs may have a slightly different format.
3. Switch to Rally scoring at the 10-minute warning, which is at 35 minutes of play. (Rally scoring means that you can score even when it is not your serve.)

4. At least 2 games need to be played for the match to be official.

a. During the regular season, matches can end in a 1-1 tie if the time limit is surpassed.

// GOLDEN RULE

First and foremost, all Fray leagues are 50% Social and 50% Sport. While we have staff // hosts, we expect individuals to respect the league's culture of fair and fun play. Foul language and rough play will not be tolerated. Individuals who cannot adhere to our standards of fair play and sportsmanship may be asked to leave the league. We want everyone to have fun and be social while enjoying a great sport. We will do whatever we can to make sure all players are having fun!

// SHIRT NOTICE

During week 2 of the season, all players will be given PHX Fray shirts for their team that are required to be worn for the duration of the season. Failure to wear the PHX Fray team shirt for a game will result in a player not being able to play in that week's game. Wearing the designated season's team shirt will be required during both the regular season and playoffs in order to participate in the game.

// GENERAL POLICIES

Fray is proud to relieve captains of the burden of paying for full teams. We accept individual player payments and allow prepayment for additional players and/or full teams. We are also proud to welcome those who do not have a full team (small groups and free agents) to participate in our league.

Because our mission is to make fun possible, these policies make it easier for people to get involved with and build community through social sports.

All registrations are on a first-come, first serve basis. Any roster that does not reach our official size (based on each sport) is eligible to receive free agents and/or small groups. Rosters made up of primarily free agents and/or a collection of small groups may have more players than the standard roster size. This policy is in place to help ensure free agent teams are able to consistently field a team each week.
